

**MUNA
NOOR**

Corporate Presentation

History

- A pioneer in Oman – established in 1975
- As the premier pipe production company in Oman, **Muna Noor** delivers large-scale and broad spectrum of pipes in numerous industries backed up by comprehensive technical strength and to top it all off with an absolute commitment of quality and Strong marketing expertise.

The Experience

Construction

Desalination

Industrial

Dredging

Corrosion Protection

Utilities

Irrigation

Oil and Gas

Telecoms

Potable Water

USP & Capacity

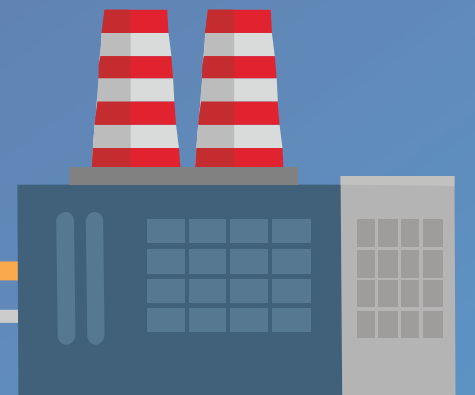

USP:

Fully integrated piping solutions

- Complete water management systems
- Multiple locations
- Highest quality in the market
- Exclusive providers of world-renowned brands

Capacity:

- Muna Noor, by far has the highest capacity in the Sultanate of Oman with more than 40,000 MT production capacity.

Product Range & Solutions

Products

- HDPE
- Multi-Layer HDPE
- UPVC
- Double Wall Corrugated
- Ducting
- Fittings
- Irrigation
- Automation
- Pumps and Valves
- Soil Stabilisation
- Water Treatment

Services

- Fabrication
- Welding
- Roto Lining
- Roto Moulding
- Testing & Commissioning for specialised products

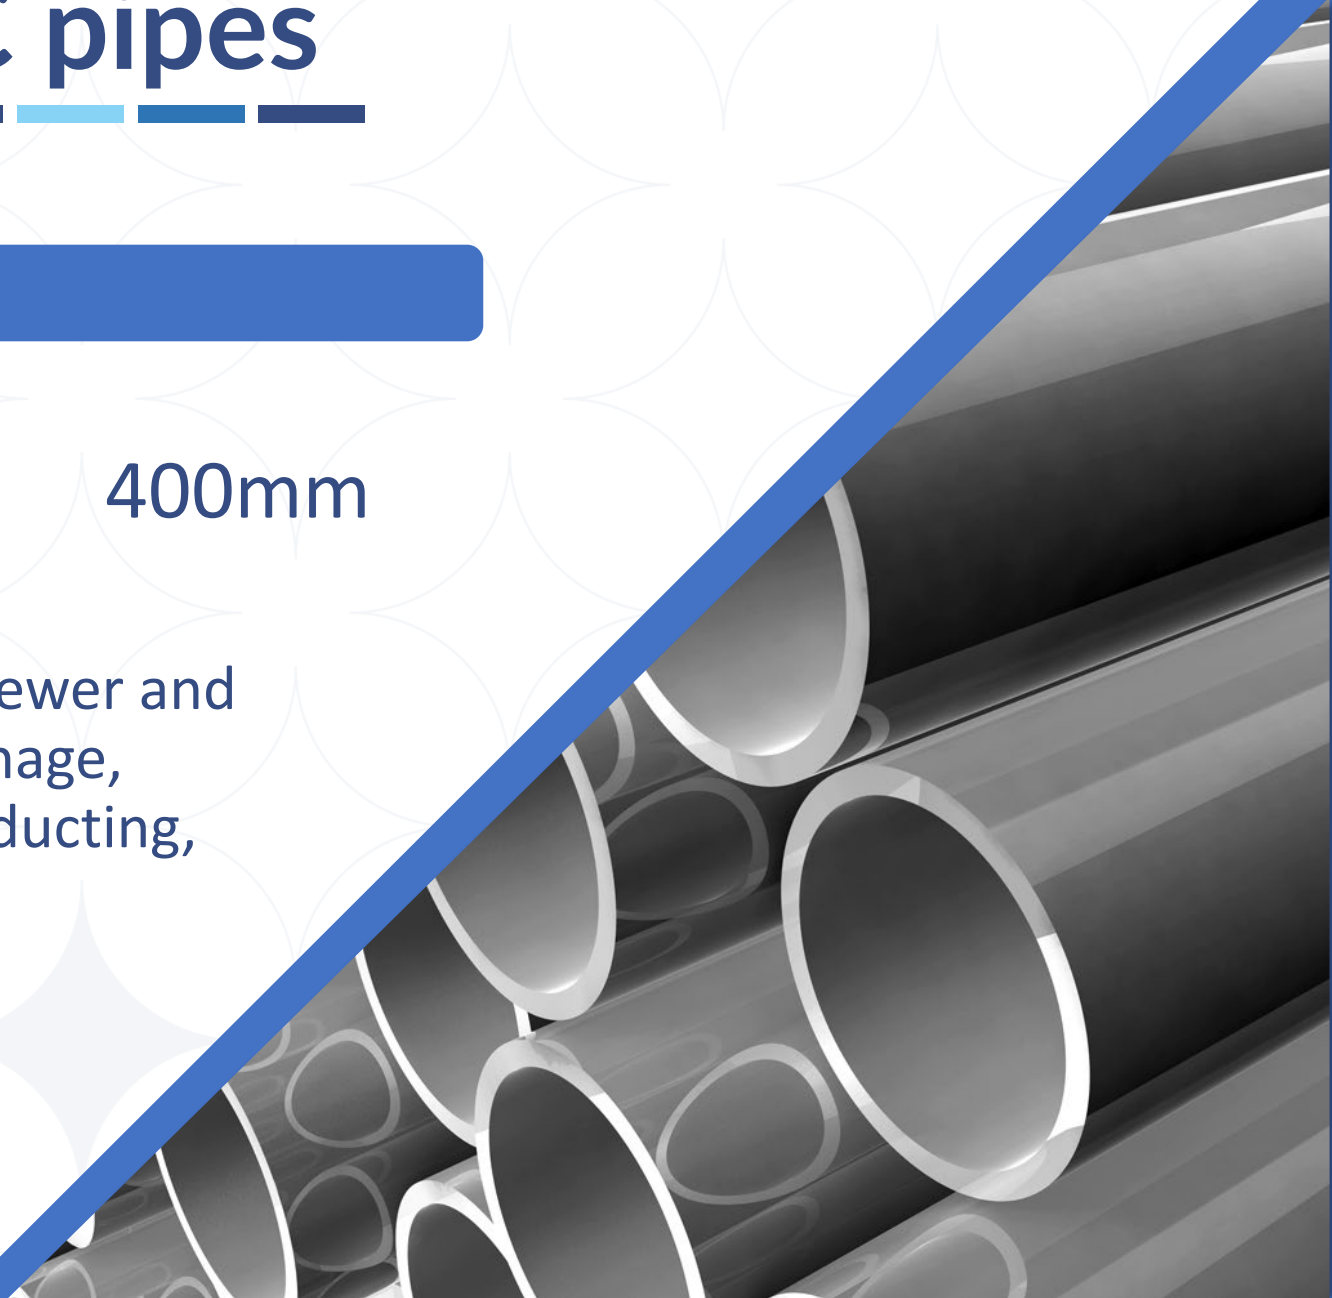

UPVC pipes

15 mm

to

400mm

- For water distribution networks, sewer and drainage networks, domestic drainage, electrical and other conduits and ducting, other industrial applications
 - 16,000 mt installed capacity
- 

HDPE pipes

19 mm

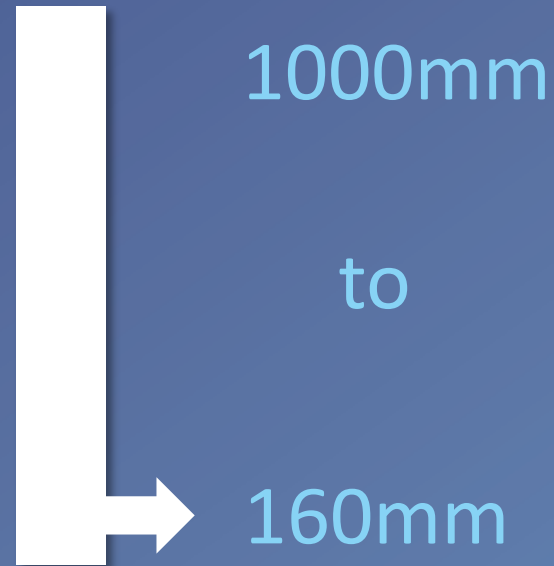

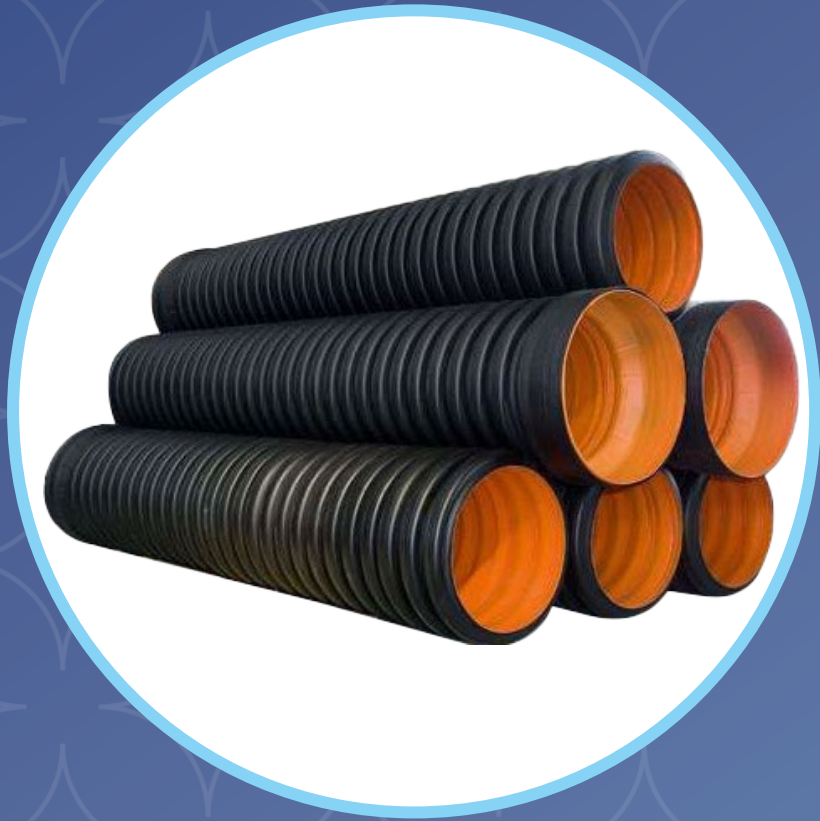

to

1200mm

- Solid wall and multilayer
- For water distribution networks, sewer networks, drainage, telecoms and other ducting, oil & gas pipe liners
- 20,000mt installed capacity

PP & HDPE Double Wall Corrugated pipes

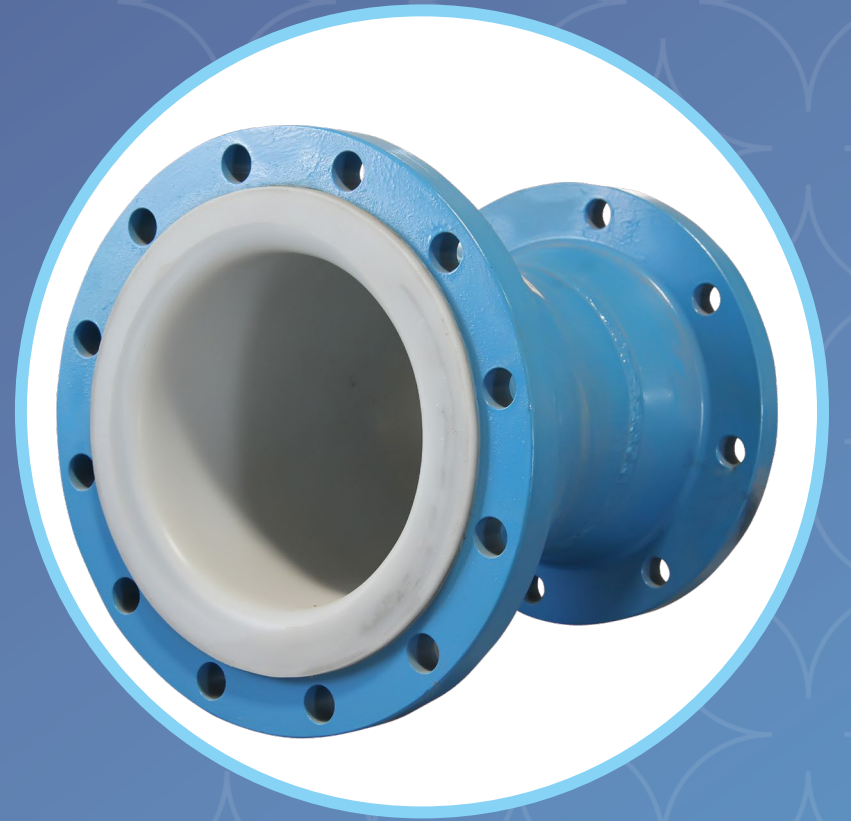

- For storm water and gravity sewer and ducting
- 10,000mt installed capacity

Roto-Lining & Rotomoulding

- Lining of carbon steel spools for oil and gas industries
- Water tanks, road barriers

5,000mt

total installed capacity

Pump, Fittings & Valves

✦ uPVC Fittings

✦ HDPE Fittings

✦ Control valves

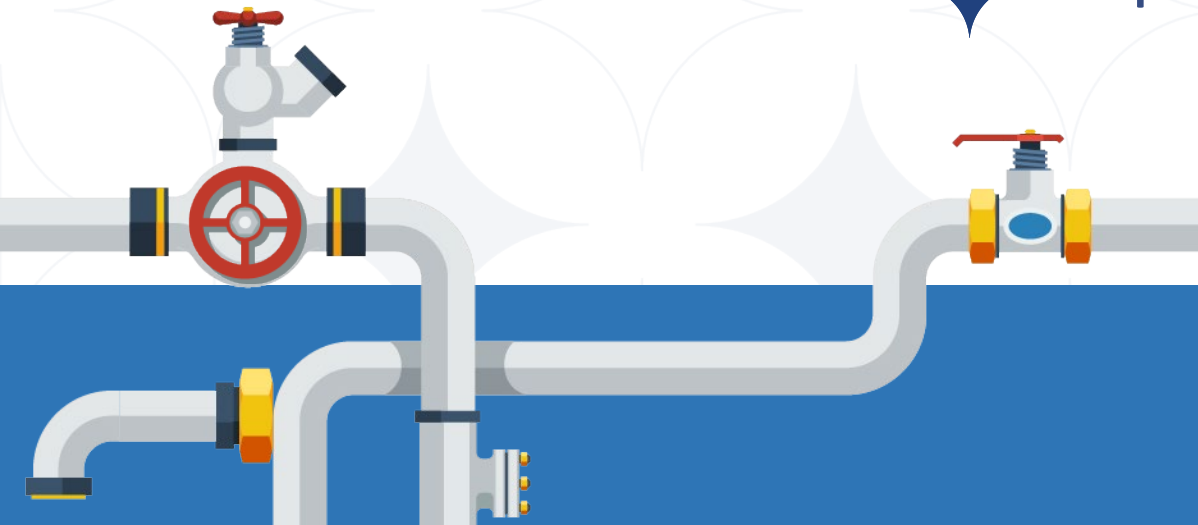

✦ Safety valves

✦ PPR pipes and fittings

✦ CPVC pipes and fittings

✦ Pumps

✦ Pipe support hanger & clamps

INFRA

Products

Tensor International Corporation : Geo Synthetic Product

- Geogrids
- Soil reinforcement ,Pavement Optimization, Retaining wall system and Railways, Mines and Landfill.
- Provides practical and best value advice and design to support the use of Tensor products and systems in project applications

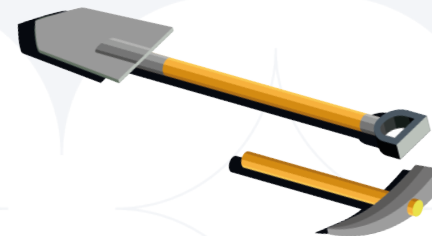

INFRA

Products

Terram Geosynthetics : Geosynthetics Products

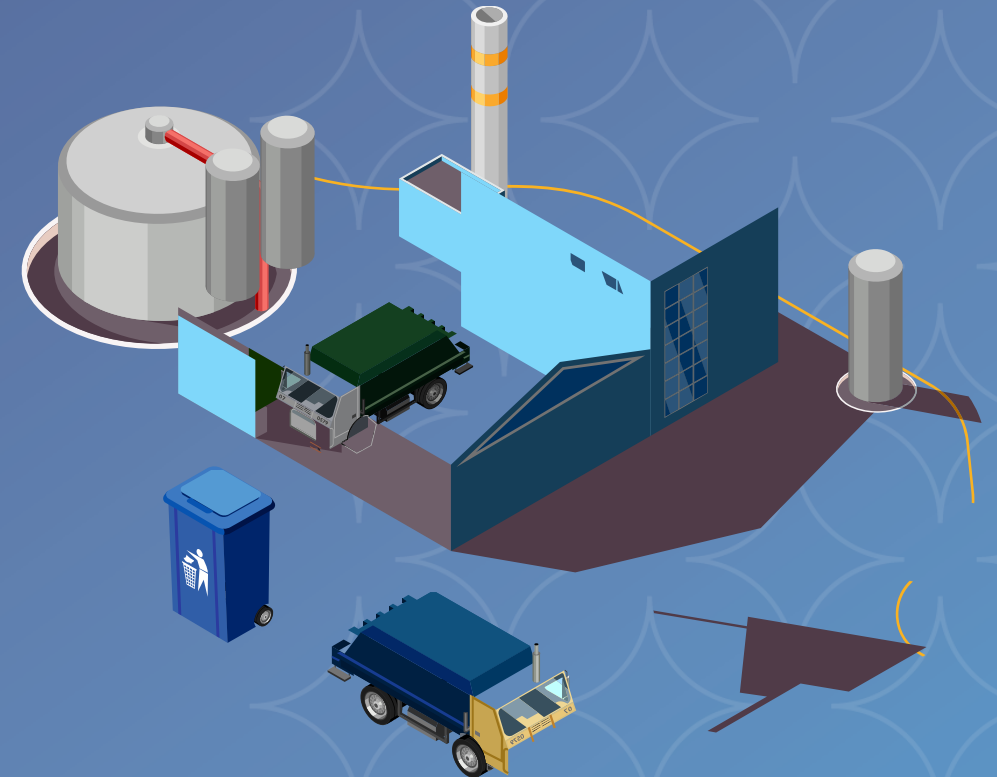

- Geotextile , Geocell , Geocompostie
- Highways , Coastal, Waterways, Flood defence , Railways , landfill, Mines and landscapes
- Cost- effective and to provide ground breaking solutions

INFRA Products

HDPE Liners Sheet : Geomembrane

- Evaporation Ponds, Landfill , Artificial Lakes, Tunnels.
- It is an excellent product for large applications that require UV and Ozone resistance , Chemical resistance or high–Quality installation.

Irrigation Products

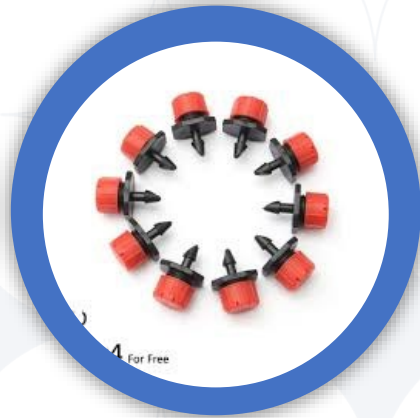

Controllers

Sprinkler

Solenoid
Valves

Emitter

Bubbler Stake

Automation Products

Dosing System

Dosing Pumps

Electro Chlorination

SCADA

Instrumentation

PLC
